## WHO WILL THIS AFFECT?

Changes will primarily affect the Class of 2025 and younger.

## WHAT IS CHANGING?

The new test will be adaptive and computer-based. It will take less time and include shorter reading passages. Students will be able to use calculators for the entire math section. Reading and Writing sections will be combined.

## WHERE WILL I TEST?

Students will still go to a testing center, but they will use their own device or a College Board issued device to take their test on a secure app.

## WHEN IS THIS HAPPENING?

The digital PSAT will debut in fall 2023 and the digital SAT will debut in spring 2024.

## WHY IS THE TEST CHANGING?

Changes will improve test security, reduce test time, and more accurately demonstrate student skills and abilities.
